ADEBOYE SUNDAY

Founder & Creative Director — GIANTMANTECH

A full-service creative media and digital brand agency delivering world-class content strategy, animation, graphic design, web development, social media management, and AI-driven video production across Nigeria and beyond.

ABOUT GIANTMANTECH

GIANTMANTECH is a multifaceted creative media and digital brand agency founded and led by Adeboye Sunday. Operating from Ibadan, Oyo State, Nigeria, GIANTMANTECH has built a robust portfolio of over 50 active social media pages, content platforms, and digital brands — each managed with a distinct strategy tailored to its audience and objective.

The agency blends creativity with cutting-edge technology, using AI-powered tools such as Hypernatural AI and Veo 3 to produce high-quality video content, alongside traditional graphic design, copywriting, and community management expertise. GIANTMANTECH is committed to empowering individuals, businesses, and communities through purposeful digital media.

OUR TEAM

GIANTMANTECH is powered by a dedicated team of professionals committed to excellence in every service delivered.

Adeboye Sunday

Founder & Creative Director

Adeboye Sunday is the visionary founder of GIANTMANTECH. He oversees all creative direction, brand strategy, content production, AI video generation, and business development across all managed platforms. With expertise spanning graphic design, animation, web development, Facebook monetization, WhatsApp automation, and digital advertising, he drives the agency's creative output and growth.

Joseph Oluwaferanmi

Manager

Joseph oversees the day-to-day operations of GIANTMANTECH, coordinating team activities, managing project timelines, and ensuring that every client deliverable is completed on schedule and to

the highest standard. He serves as the primary point of contact for operational matters, resource allocation, and inter-team communication, maintaining the smooth running of all active accounts and campaigns.

Joshua Ayomide

Customer Service Officer

Joshua is responsible for all client-facing communications and relationship management at GIANTMANTECH. He handles client inquiries, onboarding of new clients, feedback collection, and support resolution across all platforms. Joshua ensures every client receives timely, professional, and warm communication, building lasting trust between the agency and its growing client base.

Odewale Ayooluwa

Service Delivery Officer

Odewale ensures the seamless execution and delivery of all services rendered by GIANTMANTECH. He coordinates content scheduling, tracks deliverables across all managed pages, liaises with the creative team to ensure quality output, and confirms that all services — from graphic design to video production — are delivered accurately, on time, and aligned with each client's brand guidelines.

Oyeyinka Israel

Customer Review Officer

Oyeyinka manages quality assurance and client satisfaction monitoring across all GIANTMANTECH projects. He reviews delivered content, collects and analyses client feedback, tracks performance metrics for each managed page, and prepares periodic review reports. His role ensures continuous improvement in service quality and that every client's expectations are consistently met or exceeded.

PAGE 1 — ABIDON TV

ABIDON TV

abidontv.com | Educational, Cultural, Spiritual & Entertainment Platform

Platform Overview

ABIDON TV is a premium multimedia platform hosted at abidontv.com, delivering a rich blend of educational, cultural, spiritual, and entertainment content to audiences across Nigeria and the diaspora. The platform serves as the flagship digital property of GIANTMANTECH.

1. Content Strategy & Planning

- Developing a monthly editorial calendar covering all four content pillars: education, culture, spirituality, and entertainment.
- Researching trending topics relevant to Nigerian and African audiences to ensure content remains timely and engaging.
- Defining content formats per pillar — long-form video, short clips, articles, and motivational posts.
- Aligning content strategy with audience growth targets and platform monetization goals.

2. Video Production & AI Content Creation

- Producing high-quality educational and motivational video content using Hypernatural AI and Veo 3.
- Writing detailed scene-by-scene video scripts in Veo 3-compatible lowercase format, capped at 8 seconds per scene.
- Directing visual storytelling across a recurring cast of five characters: Sophia, Great, Sonia, Gabriel, and Shekinah.
- Post-production editing: colour grading, subtitle integration, sound design, and format optimisation for web delivery.
- Creating animated explainer content for educational topics targeting Nigerian audiences.

3. Website Management (abidontv.com)

- Full website administration including page updates, content uploads, and plugin management.
- Uploading and categorising video content across educational, cultural, spiritual, and entertainment sections.
- Search engine optimisation (SEO) — metadata, tags, descriptions, and keyword targeting for organic traffic growth.
- Monitoring site performance, uptime, and user experience; implementing improvements as needed.
- Managing newsletter subscriptions and audience communication via the website.

4. Social Media Management

- Managing all linked social media accounts — Facebook, YouTube, TikTok, and WhatsApp broadcast channels.
- Creating platform-specific content adaptations (reels, shorts, stories, posts) from long-form video content.
- Community engagement: responding to comments, messages, and audience interaction across all platforms.
- Growing the subscriber and follower base through strategic posting schedules and audience targeting.

5. Graphic Design

- Designing branded thumbnails, cover images, and promotional graphics for all video content.
- Creating platform banners, profile visuals, and brand identity assets consistent with ABIDON TV guidelines.
- Designing event flyers and promotional materials for special content series and cultural celebrations.

6. Monetization & Revenue Strategy

- Managing Facebook page monetization including in-stream ads and Stars programme compliance.
- Optimising YouTube channel for AdSense revenue through watch-time strategy and SEO.

- Identifying and pursuing brand partnership and sponsorship opportunities aligned with the platform's values.

PAGE 2 — TOGETHERNESS FAMILY TV

Togetherness Family TV

Family-Focused Content Channel | Narrator Alias: Mojo TV

Platform Overview

Togetherness Family TV is a heartwarming content platform dedicated to family values, parenting, relationships, and community life. The channel uses the narrator persona 'Mojo TV' to deliver stories, advice, and motivational content that strengthens family bonds and uplifts households across Nigeria.

1. Content Creation & Storytelling

- Writing and producing family-themed stories, skits, and motivational narratives using the Mojo TV narrator persona.
- Creating content series covering parenting tips, marriage advice, child development, and community values.
- Scripting Yoruba-language content segments that resonate with local Nigerian family audiences.
- Producing dramatised content featuring spiritual and culturally relevant themes familiar to Nigerian viewers.

2. Video Production

- Producing all video content using Hypernatural AI and Veo 3 for cinematic quality at low production cost.
- Scene-by-scene scripting following GIANTMANTECH's Veo 3 production standards (lowercase, 8-second max scenes).
- Editing and post-production: transitions, background music, colour treatment, and subtitle insertion.
- Producing baby cartoon character video content for the YouTube channel — no voice lines, character-driven visual storytelling.

3. Social Media Management

- Managing the Facebook page: scheduling posts, uploading videos, and running engagement campaigns.
- Growing the YouTube channel through consistent uploads, SEO-optimised titles, and strategic thumbnail design.
- WhatsApp broadcast management: sending curated family content to subscriber lists weekly.
- Community management: responding to viewer comments, DMs, and fostering family discussion threads.

4. Graphic Design

- Designing branded thumbnails, channel art, and series covers for all content.
- Creating quote cards, parenting tip graphics, and shareable family-themed social media posts.

- Designing special occasion content (Mother's Day, Father's Day, Christmas, Eid) aligned with the family brand.

5. Audience Growth & Engagement

- Running organic growth campaigns through consistent posting, hashtag strategy, and cross-platform promotion.
- Collaborating with other family-themed pages for shoutout partnerships and audience sharing.
- Tracking engagement metrics — reach, shares, comments, and follower growth — and adjusting strategy accordingly.

6. Monetization

- Managing Facebook in-stream ad monetization compliance and video length optimisation for revenue.
- YouTube monetization strategy: watch hours, subscriber milestones, and AdSense management.

PAGE 3 — FUNMI REALGOLD

FUNMI REALGOLD

Educational & Entertainment Facebook Page

Platform Overview

FUNMI REALGOLD is a vibrant Facebook page blending educational content with entertaining storytelling. The page targets Nigerian adults seeking informative, engaging, and uplifting content delivered in a relatable, culturally familiar voice.

1. Content Creation

- Creating a diverse mix of educational posts (health tips, financial literacy, life skills) and entertainment content (quizzes, fun facts, stories).
- Writing engaging captions and copy in both English and Yoruba to connect with the core audience.
- Producing short motivational video clips and shareable text-graphic posts.
- Curating trending educational topics and cultural discussions relevant to Nigerian audiences.

2. Graphic Design

- Designing all post graphics, quote cards, infographics, and educational visual content.
- Creating branded page cover photos, profile images, and highlight thumbnails.
- Designing promotional content for special campaigns and themed content series.

3. Facebook Page Management

- Full page administration: scheduling and publishing posts at peak engagement times.
- Inbox management: responding to comments, DMs, and audience questions promptly.
- Running engagement-boosting strategies: polls, questions, contests, and interactive posts.
- Monitoring page insights — reach, engagement rate, post performance — and optimising content accordingly.

4. Facebook Ads Management

- Planning and running targeted Facebook ad campaigns to grow page likes and post reach.
- Creating ad creatives — graphics and video ads — aligned with campaign objectives.
- Audience targeting and retargeting strategy to maximise ad spend efficiency.
- Performance tracking and reporting: ad metrics, cost per result, and ROI analysis.

5. Monetization

- Managing Facebook monetization tools: in-stream ads, Reels bonuses, and Stars.
- Ensuring all published content meets Facebook's monetization eligibility standards.
- Strategically producing content formats (3+ minute videos, Reels) that qualify for maximum ad revenue.

PAGE 4 — NINI GOLD

NINI GOLD

Product & Service Promotion TV Platform

Platform Overview

NINI GOLD is a dedicated promotional TV platform that showcases products, services, and brands to a targeted audience. The platform serves as a digital marketplace for Nigerian businesses seeking quality promotion through video and social media advertising.

1. Product & Service Promotion

- Creating compelling promotional video content for client products and services.
- Developing product showcase scripts and presenting features, benefits, and calls to action in an engaging format.
- Producing testimonial-style video content and user-generated content campaigns.
- Coordinating promotional campaigns for seasonal sales, product launches, and special offers.

2. Video Ad Production

- Producing short-form promotional video ads (15 seconds to 2 minutes) using AI video tools and video editing software.
- Scripting, directing, and editing product demo videos with professional voiceover integration.
- Designing motion graphics and branded lower thirds for promotional video content.

3. Social Media Advertising

- Running Facebook and Instagram ad campaigns for promoted products and services.
- Creating ad creatives in multiple formats: carousel, video, single image, and story ads.
- Audience research and targeting to ensure promotional content reaches buyers most likely to convert.
- A/B testing ad creatives and copy to optimise campaign performance.
- Providing detailed ad performance reports — impressions, clicks, conversions, and cost analysis.

4. Brand Collaboration Management

- Managing client onboarding for promotional partnerships and sponsored content deals.
- Negotiating and coordinating promotional slots for businesses seeking exposure on the NINI GOLD platform.
- Ensuring promotional content aligns with both client brand guidelines and platform standards.

5. Graphic Design

- Designing product promotional graphics, sale banners, and branded marketing materials.
- Creating eye-catching social media posts, stories, and reels covers for promoted products.

PAGE 5 — ALEX GREEN CONSORTIUM

ALEX GREEN CONSORTIUM

Travel, Tour, Visa & Permits Agency

Platform Overview

ALEX GREEN CONSORTIUM is a professional travel and immigration agency brand providing travel planning, visa application support, tour packages, and permit processing services. GIANTMANTECH manages the full digital presence of this brand across all platforms.

1. Digital Brand Management

- Managing all social media pages for ALEX GREEN CONSORTIUM across Facebook, Instagram, and WhatsApp.
- Creating and maintaining a professional, trust-building brand identity across all digital touchpoints.
- Developing content that positions ALEX GREEN CONSORTIUM as a reliable, expert travel agency.

2. Content Creation

- Creating travel destination content: destination spotlights, travel tips, packing guides, and visa requirement updates.
- Writing informative posts about visa application processes for popular destinations (UK, USA, Canada, Schengen, Dubai, etc.).
- Producing customer success stories and testimonial content from satisfied travellers.
- Creating urgency-driven promotional content for travel deals, limited-slot tour packages, and seasonal offers.

3. Lead Generation & Facebook Ads

- Running targeted Facebook lead generation campaigns to attract clients seeking travel and visa services.
- Designing high-converting ad creatives for travel packages, visa assistance, and tour offers.
- Implementing WhatsApp integration ads to drive direct inquiries and bookings.
- Managing ad budgets and optimising campaigns for minimum cost-per-lead.

4. WhatsApp Automation & Client Communication

- Setting up and managing WhatsApp Business automation for instant client inquiry responses.
- Configuring automated welcome messages, FAQ responses, and booking inquiry flows.
- Managing WhatsApp broadcast lists for travel deals, visa news, and destination updates.
- Following up with leads through structured WhatsApp messaging sequences.

5. Graphic Design

- Designing professional travel flyers, visa application guides, and tour package brochures.
- Creating social media graphics — destination photos with branded overlays, deal announcements, and visa success graphics.
- Designing branded templates for WhatsApp broadcasts and client communication materials.

6. Reputation & Review Management

- Monitoring and responding to client reviews and feedback across all platforms.
- Building social proof through testimonial graphics and client success showcase posts.

PAGE 6 — PUBLIC OPINION

Public Opinion

Motivational Family Facebook Page

Platform Overview

Public Opinion is a high-engagement motivational Facebook page focused on family values, personal development, and community inspiration. The page sparks meaningful conversations and delivers daily encouragement to thousands of followers.

1. Motivational Content Creation

- Writing daily motivational posts, family advice articles, and life lesson narratives.
- Creating viral discussion-starter posts that invite audience opinions and generate high comment engagement.
- Producing relationship advice, parenting encouragement, and community upliftment content.
- Crafting storytelling posts (real-life inspired narratives) that drive emotional engagement and shares.

2. Graphic Design

- Designing daily motivational quote graphics, inspirational image posts, and branded content templates.
- Creating seasonal and thematic graphics for holidays, awareness days, and special occasions.
- Designing cover photos, profile images, and highlight covers that reflect the page's warm, family-focused brand.

3. Community Management

- Active daily engagement: liking, replying to, and pinning top audience comments.

- Moderating the page to maintain a positive, respectful, and family-friendly community environment.
- Running community polls, Q&A sessions, and opinion posts to drive audience participation.
- Identifying and nurturing top community members (super fans) to boost organic reach.

4. Growth Strategy

- Implementing consistent posting schedules (3–5 posts per day) timed for peak audience activity.
- Cross-promoting content across GIANTMANTECH's network of pages to drive follower growth.
- Using trending audio, Reels formats, and viral post styles to expand organic reach.

5. Monetization

- Managing Facebook monetization: in-stream ads on videos, Reels play bonuses, and Stars.
- Producing monetization-qualifying video content — duration, originality, and engagement compliance.

PAGE 7 — ADEBOLLER EMPOWERMENT PAGE

Adeboller Empowerment Page

Community Support & Social Impact Platform

Platform Overview

The Adeboller Empowerment Page is a social impact platform dedicated to uplifting the less privileged in communities across Nigeria. The page raises awareness, mobilises support, and documents outreach activities with transparency and compassion.

1. Social Impact Content Creation

- Creating compelling content documenting outreach activities, community interventions, and empowerment initiatives.
- Writing awareness posts about poverty, hunger, education access, and social inequality in Nigerian communities.
- Producing appeal content that mobilises donations, volunteers, and community support.
- Storytelling posts featuring real impact stories from beneficiaries (handled sensitively and ethically).

2. Campaign Management

- Planning and executing digital fundraising and awareness campaigns across Facebook and WhatsApp.
- Creating campaign graphics, progress trackers, and milestone celebration posts.
- Coordinating calls to action — donation drives, food bank contributions, clothing donations, and skill acquisition programmes.
- Documenting and reporting on campaign outcomes with transparency posts and impact summaries.

3. Graphic Design

- Designing emotionally resonant campaign graphics, appeal posters, and impact report visuals.
- Creating branded content templates for outreach updates and beneficiary stories.
- Designing certificates of appreciation, recognition posts for donors and volunteers.

4. Community Building

- Growing a community of like-minded, compassionate followers invested in social change.
- Engaging with followers through impact updates, thank-you posts, and community discussion threads.
- Managing WhatsApp groups for volunteers, donors, and community partners.

5. Partnership & Visibility

- Creating content that positions the page as a credible, trustworthy social impact brand.
- Documenting activities for NGO partnership applications and corporate social responsibility (CSR) collaborations.

PAGE 8 — VICPEL PHOTOGRAPHY

Vicpel Photography

Professional Photography Brand

Platform Overview

Vicpel Photography is a professional photography brand offering portrait, event, product, and commercial photography services. GIANTMANTECH manages the brand's full digital presence and marketing strategy to attract clients and showcase the portfolio.

1. Portfolio Management & Showcase

- Curating and publishing photography portfolio content across Facebook, Instagram, and WhatsApp Business.
- Writing compelling captions for portfolio posts that highlight technical skill and creative vision.
- Organising portfolio into themed collections: portraits, events, products, and commercial shoots.
- Maintaining an up-to-date digital portfolio that reflects the brand's evolving style and capabilities.

2. Social Media Marketing

- Running consistent social media campaigns to generate photography bookings and inquiries.
- Creating before-and-after editing showcases, behind-the-scenes content, and client testimonial posts.
- Producing Reels and short video content showing photography techniques and studio sessions.
- Managing Instagram growth strategy — hashtag research, engagement pods, and story highlights.

3. Graphic Design & Branding

- Designing professional watermarks, logo overlays, and brand identity elements for all portfolio images.

- Creating promotional flyers for photography packages, seasonal mini-sessions, and special offers.
- Designing price list graphics, service menu cards, and client information packs.

4. Client Acquisition & Lead Management

- Running Facebook and Instagram targeted ad campaigns to attract event, portrait, and commercial photography clients.
- Managing WhatsApp Business for client inquiries, quote requests, and booking confirmations.
- Setting up automated WhatsApp responses for after-hours inquiry handling.
- Following up with leads through strategic messaging sequences to convert inquiries into bookings.

5. Reputation & Reviews

- Soliciting and publishing client reviews and testimonials to build social proof.
- Managing Google Business profile updates and review responses.
- Creating client appreciation posts and referral incentive campaigns.

PAGE 9 — POCKETTALKTHERAPY & BROKE2BADDIE

PocketTalkTherapy & Broke2Baddie

TikTok Content Channels | Mental Wellness & Personal Finance

Platform Overview

PocketTalkTherapy and Broke2Baddie are two dynamic TikTok channels targeting young Nigerian adults. PocketTalkTherapy delivers mental health awareness, emotional wellness tips, and therapy-adjacent content in a relatable, stigma-free format. Broke2Baddie empowers young people on financial independence, side hustles, and transforming their financial story.

1. TikTok Content Strategy

- Developing monthly content calendars for both channels, balancing trending formats with core messaging.
- Researching and capitalising on TikTok trends, sounds, and challenges relevant to each channel's niche.
- Planning content series — multi-part videos, weekly segments, and themed content weeks.
- Cross-channel strategy to grow both accounts while maintaining distinct brand voices.

2. Video Production & Editing

- Producing short-form TikTok videos (15 seconds to 3 minutes) with high retention hooks and strong calls to action.
- Video editing: cuts, transitions, text overlays, captions, trending audio integration, and green screen effects.
- Creating talking-head content, voiceover videos, and text-on-screen educational posts for both channels.
- Producing duets, stitch responses, and reaction content to trending mental health and finance conversations.

3. PocketTalkTherapy — Specialist Services

- Creating content on anxiety, depression awareness, relationship toxicity, grief, self-esteem, and emotional intelligence.
- Writing scripts that present therapy concepts in simple, relatable, everyday Nigerian language.
- Producing crisis awareness content with appropriate resource signposting (handled sensitively and responsibly).
- Collaborating on live sessions, Q&A videos, and audience-submitted question responses.

4. Broke2Baddie — Specialist Services

- Creating content on budgeting, saving, investing, side hustle ideas, and financial mindset shifts.
- Producing success story content, transformation narratives, and aspirational finance content.
- Writing scripts for 'how to make your first N100k', 'side hustles in Nigeria', and income diversification topics.
- Hosting TikTok Live financial Q&A sessions and money challenge campaigns.

5. Community Engagement & Growth

- Responding to comments, DMs, and duets to build active, loyal communities on both channels.
- Running follower challenges, accountability threads, and interactive content campaigns.
- Collaborating with other creators in the wellness and finance niches for audience sharing.
- Tracking TikTok analytics — views, follower growth, watch time, and engagement rate — and optimising accordingly.

6. Monetization

- Optimising content for TikTok Creator Fund eligibility and TikTok Shop integration.
- Pursuing brand partnership and sponsored content opportunities aligned with both channels' niches.
- Managing affiliate marketing integrations for relevant wellness and finance products.
